

The College is approved by the State of Wyoming for veterans' training under the Montgomery G.I. Bill and for training under Dependents' Educational Assistance. Veterans may request assistance directly from the U.S. Department of Veteran Affairs Office. Those applying for VA educational assistance will be provided with the most recent VA requirements concerning attendance and satisfactory academic progress.

Wyoming Air and Army National Guard

Financial assistance is available to Wyoming residents currently serving in the Air or Army National Guard.

Wyoming Veterans, Heroes and Their Survivors

Tuition assistance is available to qualifying Wyoming veterans and their survivors, as well as to qualifying survivors of Wyoming public service heroes. Applies to those who are a:

- Wyoming Overseas Combat Veteran or surviving spouse or a child of a Wyoming Overseas Combat Veteran
- Wyoming Vietnam veteran or surviving spouse or child of a Wyoming Vietnam veteran
- Surviving spouse or child of a Wyoming firemen, law enforcement officer or emergency medical technician who was killed in the line of duty

Vietnam veterans must complete and submit the appropriate [application](#) as well as the long version of their DD214.

Questions concerning these categories and requests for more information about eligibility requirements should be directed to the [Financial Aid Office](#).
