

The Associated Students of Northwest College (ASNWC) Student Senate, are a diverse group of peers who recognize the pursuit of academic excellence. ASNWC will work as a team of leaders and models to provide a structured voice for all Northwest College students, assure representation, and exercise students' rights in a responsible manner. ASNWC will strive to maintain cooperative relationships and channels of communication between all students, faculty, staff, and legislators. These open lines of communication will foster a high degree of service to the students and employees, including the stimulation and appreciation of privileges and responsibilities in a democratic society. Members of the ASNWC Student Senate maintains their own Constitution and By-Laws.
